Hamilton Manor

Blackrock,

Co. Louth.

DESCRIPTION

The ultimate in modern living, combining the perfect location with elegant four bedroom C.142sqm family homes in a wonderful convenient setting. Located within walking distance of the seaside village of Blackrock, Hamilton Manor is an exclusive development of 12 architecturally designed homes which have modern family living in mind. Constructed by Thomas Agnew & Sons to the highest building and environmental standards resulting in premier "A" rated energy efficient homes with excellent finishes throughout.

Hamilton Manor is a comfortable distance from the bustle of the city, on a pretty peninsula surrounded by the natural beauty of landscape, sea, and the thriving village of Blackrock. It's the ideal base for busy couples or families who value healthy lifestyles, access to quality education and activities, and an easy commute to both the city and the airport by car, bus, or train.

These well located homes combine the best of modern day living and a classic contemporary design and offer superb style, warmth and luxury. They are sure to be a firm favorite with families looking to buy in an area of distinction. The sense of style, overall high standard of finish, coupled with a wealth of luxurious fixtures and fittings and exceptional attention to detail ensure a light filled, comfortable and energy efficient living space.
